

TEAM SHAMROCK AT RELAY FOR LIFE

May 2011

A group of 20+ employees from Shamrock Management joined together to form a team for the American Cancer Society's Relay for Life in Terrebonne parish.

Team Shamrock raised \$10,885! This accomplishment is phenomenal, especially since this was our first year! Terrebonne parish as a whole raised \$338,335!!!

The Shamrock team would like to thank our owner, Jeff Trahan, for the financial contributions made by Shamrock, allowing us to donate 100% of the funds we raised to the American Cancer Society. We would also like to thank our departmental managers who allowed their employees to participate; as well as the Shamrock employees, customers, vendors, friends and family who contributed money and/or time to this wonderful cause.

Along with all the fun we had planning and attending the event, we also were able to experience the chilling ceremony celebrating all the cancer survivors, as well as the emotional one remembering those who lost the battle.

If you were not able to make it this year, we hope that you are able to make it next year because it is an experience not to be missed!
